

Shanghai Chint Power Systems Co.,LTD. ("CPS") Limited Product Warranty

This Limited Product Warranty covers the "Covered Products" defined in the table below, is valid only for the duration of the applicable "Warranty Period" defined in the table below and is subject to the following terms and conditions:

Covered Products	Standard Warranty Period
SCA-S/SM/T Series : CPS SCA10/15/20/25KTL-T1/EU	Sixty (60) months starting from ninety (90) days after shipment. Support warranty extend.
SCA-S/SM/T Series : CPS SCA30/50/125KTL-T/EU	Sixty (60) months starting from ninety (90) days after shipment. Support warranty extend.

Ps: The final warranty period is subject to the contract.

During the Warranty Period, in the event that a Covered Product is found to have a non-conformity or defect in the workmanship or materials occurring during normal use of the Covered Product, CPS will, subject to the terms set out below, replace the Covered Product with a product that is functionally equivalent (in relation to feature, function, fit compatible, default software version) to, or better than, the defective Covered Product detailed in the warranty claim ("Replacement Product") and the terms of this Limited Product Warranty shall apply to any Replacement Products supplied by CPS under this Limited Product Warranty. A Replacement Product shall be the Customer's sole and entire remedy in respect of any non-conformity of or defects in the Covered Products.

The Replacement Product shall be covered by this Limited Product Warranty for the remaining Warranty Period. Following a replacement, the Replacement Product will become the property of the Customer and the defective Covered Product shall become the property of CPS.

To avoid any doubt, the "Defect" mentioned herein shall refer to any status that the Warranted Product fails to operate normally, perform the expected functions as agreed by CPS and the Customer in writing or achieve the expected goals as agreed by CPS and the Customer in

writing during its normal use due to its own quality issues (including but not limited to technical Defects or material issues). However, the Defect as defined above does not include the following circumstances:

- i. Normal wear and consumption of the Warranted Product
- ii. Appearance defects (including but not limited to scratches, corrosion, rust) that do not affect the normal operation, function and effect of the Warranted Product
- iii. Wear and consumption of accessory parts, consumptive parts and expendable parts of the Covered Product.

Standard Warranty Extension Procedure

The covered product warranty may be extended to ten (10), fifteen (15) or twenty (20) years as an additional cost for the customer ("Extended Warranty"). Purchase of extended warranty for covered product can be done through the regular distribution channel or directly from CPS. During the purchase process, as well as up to 24 (twenty-four) months from the date of manufacture, which can be read from the serial number of the relevant covered product, the parties may agree on an "extended warranty" in addition to the period covered by this Warranty in accordance.

Any Extended Warranty shall be in accordance with and subject to the same terms and conditions as the standard Warranty Period.

Claiming Under the Warranty

To claim under this Limited Product Warranty Customer shall promptly after discovery of a non-conformity or defect in workmanship or materials in the Covered Products, report the non-conformity or defect to CPS by contacting the CPS Customer Services Help Desk (contact details as below) and providing the following information:

- i. a short description of the non-conformity or defect; including but not limited to input & output parameters,
- ii. alarm ID, reason ID and data exported from the Inverter;

Product Replacement

CPS will, upon receipt of a warranty claim, determine whether the claim is covered by this Limited Product Warranty. If CPS determines that the claim is not covered by this Limited Product Warranty, it will notify Customer setting out the reasons why the claim has been rejected. If CPS determines the claim is covered by this Limited Product Warranty, then CPS will provide the Customer with a Replacement Product.

Where CPS opts to provide a Replacement Product, CPS will deliver the Replacement Product to the Customer's nominated site in Pakistan, normally within five (5) to ten (10) "Working Days" (being Monday to Friday but excluding public and bank holidays in place of dispatch) after the warranty claim has been logged, investigated and confirmed. Within ten (10) Working Days of the Customer receiving the Replacement Product, the Customer shall return the defective Covered Product to CPS in its original packaging or the packaging removed from the Replacement Product (or failing that, in safe and secure packaging to prevent any damage in transit).

If CPS is short of the spare parts or units at that moment and customer has the spare same model product in his or her own stock. Customer can replace the inverter once CPS authorizes. And once the replacement is done, CPS will offer customer a replacement device of equivalent value according to model and age.

Once the replacement is done, the remainder of the warranty entitlement will be transferred to the replacement device and your entitlement will be documented at CPS.

CPS reserves the right to charge the Customer for the cost of the defective Covered Product, and Customer agrees by making a warranty claim to pay such charges, if:

- i. a Replacement Product has been dispatched to the Customer but the defective Covered Product is not returned to CPS on time;
- ii. on inspection, a Covered Product returned does not match the one described in the warranty claim;
- iii. on inspection, a Covered Product is found not to be covered by this Limited Product Warranty or the Limited Product Warranty has been invalidated as set out below.

Payment of the Installer Call-out Fee and Fault Inverter Transportation Costs

Following the replacement and receipt by CPS of a defective Covered Product (only apply to inverters), CPS will pay the certified installer a fee per Covered Product within the Warranty Period ("Installer Call-out Fee") along with reasonable transportation fees, provided that such those fees have been mutually agreed prior to the return by the Customer of the defective Covered Product. The payment of the Installer Call-out Fee and any agreed transportation fee will be processed by CPS, or by a service company on behalf of CPS, within sixty (60) days after receipt by CPS of the defective Covered Product.

Limits to Cover

This Limited Product Warranty only applies to the hardware of the Covered Products and does not apply to any components, which are separate from the Covered Products such as ancillary equipment, consumable and mechanical parts for mounting, or protective coatings that are designed to diminish over time (except where the defect has occurred due to a defect in materials or workmanship) , cooling fans, fuse, cable and wires etc., whether supplied by CPS or others.

This Limited Product Warranty only applies to Customers who have purchased the Covered Products directly from CPS, or from an authorized seller of CPS Inverters in the Pakistan. CPS only process the transportation in Pakistan.

This Limited Product Warranty only applies where the installation and any removal and reinstallation has been carried out in accordance with the installation directions and user guidelines which are provided with the Covered Products ("Documentation").

This Limited Product Warranty will be invalidated if the serial number of the Covered Product has been removed or defaced.

The above warranty supersedes and excludes any other warranties, express or implied, including but not limited to warranties under applicable commercial laws and warranties of fitness for a particular purpose, and any other obligations and liabilities of CPS; except to the extent that CPS expressly warrants otherwise in writing the corresponding warranties, obligations and liabilities not assumed by CPS under this warranty.

If the model / serial number of the Covered Product have been changed or cannot be identified, the customer will no longer have the corresponding warranty.

Limitation of Liability

This Limited Product Warranty shall be in lieu of all other warranties, conditions or guarantees as to description, quality, fitness for any particular purpose, satisfactory or merchantable quality of the Covered Products or any other warranty, condition or guarantee whether express or implied.

CPS shall not be under any liability whether in contract, tort or otherwise in respect of any non-conformity of or defect in the Covered Products or for any injury, damage or loss resulting from such non conformity or defect or for any loss of contracts, loss of revenue, loss of use or profits or business, business interruption or for any extra operating expense or any indirect, consequential or economic damages or losses whatsoever and howsoever caused. The remedies specified in this Limited Product Warranty shall be the Customer's sole and entire remedy in respect of any non-conformity of or defects in the Covered Products.

Notwithstanding the foregoing, nothing in this Limited Product Warranty shall limit CPS's liability for:

- i. fraud or fraudulent misrepresentation; or

- ii. any other liability that cannot be limited or excluded as a matter of law.

General

- i. No one other than an authorized representative of CPS may make any modification, extension, or addition to this Limited Product Warranty.
- ii. If any provision of this Limited Product Warranty is held by any court or award in arbitration to be invalid or unenforceable, the validity or enforceability of such provision shall not affect the other provisions of this Limited Product Warranty which shall remain in full force and effect.
- iii. If the Covered Product is to be relocated to another place, the service coverage won't be valid till the following conditions are satisfied:
 - a) The customer shall notify our company in writing at least thirty days in advance before the Covered Product is moved.
 - b) CPS is entitled to supervise the Covered Product in terms of shutdown, disconnection, packing, transportation, unpacking, re-installation, and re-startup, and client side wiring (removal, installation) is not within the scope of the clause.
 - c) CPS has agreed that the new location of the equipment can be included in the service coverage.
- iv. Within the time of service specified by this agreement, the customer should assign its representative on the site and ensure the safety of our company's maintenance personnel.
- v. The customer should ensure the Covered Product is accessible to its maintenance mode and provided with reasonable safeguard equipment.
- vi. All the payments should be paid within the required deadline of payment. If the customer fails to pay in time, CPS is entitled to refuse to provide further service till receiving the payment.
- vii. According to the relevant regulations by Chinese Government, both the paid service and the spare part procurement are charged with the appropriate added-value tax.
